

# JUBILEE FIREWORKS

GRAND MASTERS. . . . . OF PYROTECHNICS

*our personal invitation*

to celebrate your wedding in extravagant style, with Britain's premier pyrotechnic company.

Take a look inside to see how we can add that extra touch of sparkle and magic to your celebrations.

Firework art that goes beyond the spectacular

Given the choice, who would you select to design your wedding dress? Vera Wang, perhaps. Any maybe Jasper Conran to attire the men?

If design is important to you, and standards matter, why be less selective when it comes to fireworks?

Jubilee fireworks have been creating amazing displays for over 20 years, gaining more awards along the way than any other UK fireworks company. As current holders of the British Fireworks 'Champion of Champions' title, we can rightly claim to be Britain's premier pyrotechnists. For us, a fireworks show is a work of art - an emotional and visual experience. Design matters to us to.

If we have fired your imagination, why not visit our website to see for yourself how fireworks can transform your wedding experience. You expect it to be amazing-why not make it extraordinary?

## Price Guide

"It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money, that's all. When you pay too little, you sometimes lose everything, because the thing you bought is incapable of doing what it was bought to do".  
Phil Grucci - 'Fireworks by Grucci'
